9 TERMS AND CONDITIONS OF THE OFFER

- | | |
|------------------|---|
| (i) Offer Price: | The Offer Price comprises the Issue Price and a selling and distribution commission (the “ Commission ”).
The Commission to be paid by investors that are not qualified investors under the Prospectus Regulation |
|------------------|---|

(“**Retail Investors**”) is equal to 1.625 per cent. of the subscribed nominal amount of the Notes (the “**Retail Commission**”).

Qualified investors as defined in the Prospectus Regulation (“**Qualified Investors**”) will pay a Commission that is equal to the Retail Commission reduced, as the case may be, by a discount between 0 per cent. and 1.625 per cent. (the “**QI Commission**”) based, among other things, on (i) the evolution of the credit quality of the Issuer (credit spread), (ii) the evolution of interest rates, (iii) the success (or lack of success) of the placement of the Notes, (iv) the market environment and (v) the principal amount of Notes purchased by an investor, each as determined by the Joint Bookrunners (as defined below) at their sole discretion (no such discount will be granted to Qualified Investors acting as financial intermediaries which cannot accept a retrocession (within the meaning of Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments and amending Directive 2002/92/EC and Directive 2011/61/EU, as amended and any delegated, implementing or equivalent act and related guidelines).

(ii) Conditions to which the offer is subject:

Minimum Amount and Maximum Amount

The Minimum Amount of the offer is EUR 75,000,000 and the Maximum Amount is EUR 125,000,000.

The criteria in accordance with which the final Aggregate Nominal Amount of the Notes will be determined by the Issuer are the following: : (i) the funding needs of the Issuer, which could evolve during the Offer Period, (ii) the levels of the interest rates and the credit spread of the Issuer on a daily basis, (iii) the level of demand from investors for Notes as observed by the Managers on a daily basis, (iv) the occurrence or not of certain events during the Offer Period of the Notes giving the possibility to the Issuer and/or the Managers to early terminate the Offer Period or not to proceed with the Public Offer and the issue of the Notes and (v) the Minimum Amount is EUR 75,000,000 and the Maximum Amount is EUR 125,000,000.

The final Aggregate Nominal Amount shall be published as soon as possible after the end (or the early closing) of the Offer Period by the Issuer, on its website (within the section addressed to investors)

(<https://www.immobelgroup.com/en/press-releases>) and on the websites of the Managers: www.belfius.be/obligation-immobel-2022 (French language version) and www.belfius.be/obligatie-immobel-2022 (Dutch language version) for Belfius Bank, <https://www.bnpparibasfortis.be/emissions> (French language version) and <https://www.bnpparibasfortis.be/emissies> (Dutch language version) for BNP Paribas Fortis, and www.kbc.be/fr/bonds/immobel2022 (French language version) and www.kbc.be/bonds/immobel2022 (Dutch language version) for KBC Bank NV. The allocation percentage (%) within the networks of each of the Managers shall also be published as soon as possible upon the expiration (or early closing) of the Offer Period on the websites of the Managers.

Plan for distribution

The Managers, acting on a several (and not joint) basis, agree to place the Notes on a best efforts basis. The Issuer agreed that the targeted allocation structure between the Managers for the placement of the Notes will be the following (being possibly subject to rounding and reduced proportionally in case the Aggregate Nominal Amount of the Notes to be issued is lower than EUR 125,000,000):

- (a) each of the Managers: EUR 27,500,000 of the Notes (or 22% of the nominal amount of the Notes to be issued) to be placed on a best efforts basis and allocated exclusively to Retail Investors in its own retail and private banking network, at a price equal to 100% of the nominal amount of Notes plus the Retail Commission (the “**Retail Price**”), in aggregate EUR 82,500,000 (or 66% of the nominal amount of the Notes to be issued (the “**JLMs Notes**”). The Managers will receive fees in respect of the assigned Notes pro rata to the amount of assigned Notes they have placed in their own retail and private banking network; and
- (b) the Joint Bookrunners, acting together on a best efforts basis, for the placement towards Qualified Investors at a price equal to 100% of the nominal amount of the Notes plus the QI Commission: EUR 42,500,000 of the Notes (or 34% of the nominal amount of the

Notes to be issued (the “**QI Notes**”). The fees in respect of these QI Notes assigned to the Joint Bookrunners shall be split equally between the Joint Bookrunners.

If, at 5.30 pm on the first business day of the Offer Period, the JLMs Notes assigned to a Manager are not fully placed by such Manager, each of the other Managers (having fully placed the JLMs Notes assigned to it) shall have the right (but not the obligation) to place such JLMs Notes of the Manager who did not fully place the JLM Notes allocated to it with Retail Investors in its own retail and private banking network, on an equal share basis (if possible) between those other Managers. The Managers will receive fees in respect of these JLMs Notes pro rata to the amount of JLMs Notes they have placed. In the event that any JLMs Notes remain unplaced pursuant to the mechanisms described in the preceding paragraphs, such Notes may be allocated by the Joint Bookrunners to the orders relating to QI Notes, towards third party distributors and/or Qualified Investors.

In the event that the QI Notes are not fully placed by the Joint Bookrunners, each of the Managers who fully placed the JLM Notes allocated to it shall have the right (but not the obligation) to place such QI Notes and any such QI Notes shall be shared with Retail Investors in its own retail and private banking network, on an equal share basis (if possible) between those Managers.

If not all Notes are placed at 5.30 pm (CET) on the first business day of the Offer Period and taking into account the reallocation pursuant to the preceding paragraphs, (i) each of the Managers shall have the right to place the unplaced Notes with Retail Investors and (ii) each of the Joint Bookrunners shall have the right to place the unplaced Notes with Qualified Investors. Each Manager shall place such Notes at its own pace, it being understood that the unplaced Notes will be allocated to the investors on a “first come, first served principle” in such a way that facilitates the fastest closure of the Offer Period possible.

The portion of the Notes assigned to be placed with Qualified Investors shall be allocated in such a manner as to give priority to Qualified Investors acting as financial intermediaries for onward placement of the Notes to Retail Investors. This

privileged allocation may cause certain Qualified Investors to receive less than or none of the ordered Notes.

This allocation structure can only be amended in mutual agreement between the Issuer and the Managers.

Early closure

Early termination of the Offer Period will intervene at the earliest on 17 June 2022 at 5.30 pm (CET) (the minimum Offer Period being referred to as the “**Minimum Sales Period**”). This is the second business day in Belgium following the day on which the Final Terms of the Issue have been made available on the websites of the Issuer and the Managers (including the day on which the Base Prospectus has been made available) and means that the Offer Period will remain open at least one business day until 5.30 pm (CET). Thereafter, early termination can take place at any moment (including in the course of a business day). In case of early termination of the Offer Period, a notice will be published as soon as possible on the websites of the Issuer (<https://www.immobelgroup.com/en/press-releases>) and on the websites of the Managers: www.belfius.be/obligation-immobel-2022 (French language version) and www.belfius.be/obligatie-immobel-2022 (Dutch language version) for Belfius Bank, <https://www.bnpparibasfortis.be/emissions> (French language version) and <https://www.bnpparibasfortis.be/emissies> (Dutch language version) for BNP Paribas Fortis, and www.kbc.be/fr/bonds/immobel2022 (French language version) and www.kbc.be/bonds/immobel2022 (Dutch language version) for KBC Bank NV. This notice will specify the date and hour of the early termination.

The Offer Period may be terminated early by the Issuer during the Offer Period with the consent of the Managers and taking into account the Minimum Sales Period (i) as soon as an aggregate minimum nominal amount of Notes of EUR 75,000,000 or more is reached, (ii) in the event that a major change in market conditions occurs, or (iii) in case a Material Adverse Change occurs with respect to the Issuer or the Group (on a consolidated level). In case the Offer Period is terminated early as a result of the occurrence described under (ii) or (iii) in the preceding sentence, then the Issuer will publish a

supplement to the Base Prospectus. The Issuer will ensure that any such supplement is published as soon as possible after the occurrence of such termination of the Offer Period (as a result of the occurrence described under (ii) or (iii)).

Other conditions

The Issuer has reserved the right not to proceed with the issue of the Notes if at the end of the Offer Period the Minimum Amount is not reached.

In addition, the Public Offer and the issue of the Notes is subject to a limited number of conditions set out in the Subscription Agreement, which are customary for this type of transaction, and which include, amongst others: (i) the correctness of the representations and warranties made by the Issuer in the Subscription Agreement; (ii) the admission of the Notes on the regulated market of Euronext Brussels having been granted on or prior to the Issue Date, (iii) there having been, as at the Issue Date, in the reasonable opinion of the Managers, no Material Adverse Change (as defined in the Subscription Agreement and as described below), (iv) the Issuer having performed all the obligations to be performed by it under the Subscription Agreement on or before the Issue Date, (v) the market conditions being satisfactory in the Managers' reasonable opinion and with the agreement of the Issuer and (vi) at the latest on 14 June 2022 and the Issue Date, the Managers having received customary confirmations as to certain legal and financial matters pertaining to the Issuer and the Group.

(iii) Description of the application process:

The investors can subscribe to the Notes via the branches of the Managers as well via the digital channels provided by the Managers. The applications can also be submitted via agents of other financial intermediaries in Belgium. In this case, the investors must obtain information concerning the commission fees that the agent or financial intermediary can charge.

(iv) Details of the minimum and/or maximum amount of the application:

The minimum amount of application for the Notes is EUR 1,000. The maximum amount of application is the Maximum Amount of the Notes.

(v) Description of possibility to reduce subscriptions and manner for refunding amounts paid in excess by applicants:

The Offer Period may be terminated early by the Issuer with the consent of the Managers and taking into account the Minimum Sales Period (see paragraph 9(ii) (*Conditions of the Offer*) of Part B above).

All subscriptions that have been validly and timely introduced by the Retail Investors with the Managers will be taken into account when the Notes are allotted, it being understood that in case of over-subscription, a reduction may apply, i.e., the subscriptions will be scaled back proportionally, with an allocation of a multiple of EUR 1,000 and to the extent possible (i.e., to the extent there are not more investors than Notes), a minimum nominal amount of EUR 1,000 which corresponds to the denomination of the Notes and is the minimum subscription amount for investors. Subscribers may have different reduction percentages applied in respect of the amounts subscribed by them depending on the financial intermediary through which they have subscribed to the Notes.

Retail Investors are therefore encouraged to subscribe to the Notes on the first business day of the Offer Period before 5.30 pm (CET) to ensure that their subscription is taken into account when the Notes are awarded, subject, as the case may be, to a proportional reduction of their subscription.

Any payment made by a subscriber to the Notes in connection with the subscription of Notes which are not allotted will be refunded within seven business days after the date of payment in accordance with the arrangements in place between such relevant subscriber and the relevant financial intermediary, and the relevant subscriber shall not be entitled to any interest in respect of such payments.

- (vi) Details of the method and time limits for paying up and delivering the Notes:

The payment for the Notes must be received at the latest on or before the Issue Date and can only occur by means of debiting from a deposit account.

The delivery of the Notes will take place as described in the Base Prospectus and these Final Terms. On or about the Issue Date, the securities account of the investors will be credited with the relevant number of Notes purchased and allotted to them.

- (vii) Manner in and date on which results of the offer are to be made public:

The offer of the Notes (including its net proceeds, the Aggregate Nominal Amount and the allocation percentage (%) within the networks of each of the Managers) shall be published as soon as possible after the end of the Offer Period by the Issuer on its website (<https://www.immobelgroup.com/en/press-releases>) and on the websites of the Managers: www.belfius.be/obligation-immobel-2022 (French language version) and www.belfius.be/obligatie-

[immobel-2022](https://www.bnpparibasfortis.be/emissions) (Dutch language version) for Belfius Bank, <https://www.bnpparibasfortis.be/emissions> (French language version) and <https://www.bnpparibasfortis.be/emissions> (Dutch language version) for BNP Paribas Fortis, and www.kbc.be/fr/bonds/immobel2022 (French language version) and www.kbc.be/bonds/immobel2022 (Dutch language version) for KBC Bank NV.

- (viii) Procedure for exercise of any right of pre-emption, negotiability of subscription rights and treatment of subscription rights not exercised: Not Applicable
- (ix) Whether tranche(s) have been reserved for certain countries: Not applicable
- (x) Process for notifying applicants of the amount allotted and an indication whether dealing may begin before notification is made: Investors may have different reduction percentages applicable to them depending on the financial intermediary through which they have subscribed to the Notes. The Managers shall in no manner whatsoever be responsible for the allotment criteria or the notification process that will be applied by other financial intermediaries.
- As soon as possible after the end of the Offer Period, each Manager will directly notify its clients who have subscribed for Notes to inform them of the number of Notes that has been allotted to them (see also paragraph 9(vii) (*Manner in and date on which results of the offer are to be made public*) of Part B above).
- (xi) Amount of any expenses and taxes charged to the subscriber or purchaser: Placement commission in the form of a Commission, which shall be equal to the Retail Commission or the QI Commission (as described in paragraphs 8(iv) and 9(ii) of Part B above).
- Each investor shall make his own enquiries with his financial intermediaries on the related or incidental costs (transfer fees, custody charge, etc.) which the latter may charge.
- The financial services in relation to the Notes will be provided free of charge by the Managers. Investors must inform themselves about the costs that their financial institutions might charge them. In relation to the Managers, this information is available in the brochures on tariffs which are available on the websites of the Managers. Custody fees charged by the Managers will be borne by the investors.
- Noteholders should be aware that additional costs and expenses may be due to the relevant financial

intermediary upon exercising the Change of Control Put Option through a financial intermediary (other than the Agent) and the Noteholders should inform themselves thereof before exercising any such put option.
